FAQ

What is the STARS program?

Your music teacher encourages you to attend professional music concerts this year, not only to support the local performing arts, but to expose you to what could be life changing, cathartic music. Many of us became music educators after falling in love with music when we were your age.

How do I become a STAR?

Attend 7 concerts this school year and give a complete pack of 7 printed programs to your teacher. You then fill out a form to be entered into a drawing for complimentary tickets to a concert in the next year (the 2010-11 season). All participants will receive certificates too.

What does this cost?

That's completely up to you. Any professional concert with a printed program is eligible. This includes free, special concerts at your temple or place of worship. We hope you STARS will also join the audiences for stellar performances by the fine musical groups among us.

Do programs at my school count?

Not for this program, as we aim for you to get "out and about" and attend concerts you might not otherwise have seen with STARS.

Can I bring printed programs to my teacher throughout the year?

No, you are responsible for saving until you have all seven together at one time. Only then can your teacher enter you in our drawing.

How do we find out about concerts?

Links to many fine local performing arts organizations supporting our STARS program are on our website. Go to www.ohiomta.org. Look at Student Activities, and then "Out and About." Upcoming concerts are also listed in the Weekender section of the Columbus Dispatch.

When do I find out if I win the free tickets?

All the forms will be entered into a drawing at our OhioMTA District Spring Conference, which is on Monday, April 5, 2010.

When do I get my STARS certificate?

They will be given to your teacher at the Spring Conference. He or she may give them to you at a private lesson or perhaps at your spring recital.

What's the deadline for getting my programs to my teacher?

April 1st, 2010. Your teacher just needs to get your completed form to me by April 5th, or simply bring them to the Spring Conference.

What if I attend a concert AFTER April 1st?

Save the program for next year!
